“ *I have such fond memories of Mrs. Smith. She and Mr. Smith were the nicest people ever and as you said, you never saw her unkempt. They were an outstanding family. I know her sons and extended family will miss her presence sorely.*

“ We were sad to learn of Lucy's passing. We will miss her more than we can let you know. We volunteered at Mission Health Care, where we were always uplifted by Lucy's bright, warm smile and friendly greeting, "Hi doll. How ya' been doin'?" We LOVED her like she was our own family. Until the last month or two, she would play volleyball (with a balloon) with us; she was quite the athlete with a strong arm. She never missed our Sunday morning church service; she loved to read scripture. She also often sang the song, "Heaven. Everybody's talkin' 'bout heaven. Streets of heaven are paved with gold, when I get to heaven gonna' put on a robe. Heaven." She has been a delightful blessing in our lives. We are very sad to lose her but happy to know she's in a better place where we know she is happy. God bless her family.
