“ *To Juanita's family,
I have had the honor of knowing Juanita since she moved to Hannibal. She was a lovely lady. I always enjoyed when she came to the beauty shop to have her hair fixed....and we always laughed about me having more gray hairs than she did. I will truly miss her and her beautiful smile. I just want to say "Thank You" to her family members that looked after her. She loved you and appreciated all you did for her. May you find comfort in knowing she is with Jesus and pain free.*

“ Stayed with Grandma one summer in Peoria and on weekends she would take me to work with her on the night shift at the hospital. Met several of her co-workers who would bring in amazing dishes to try. One lady made some kind of an oriental dish with these really thin noodles. When we went to the store the next day, I tried to find those noodles and discovered Ramen noodles! They were not exactly what the same kind of noodles, but I have never stopped eating them. Still take them to work for lunch almost every day. It was a good summer, hanging out with Grandma, playing cards, drinking diet Pepsi, and watching Miami Vice. I will miss her, but never forget all the fun we had.
