“ *This is a message for Millie's nephew. I am so sorry John for your loss. I had worked with her at Merkels and at Bergners. I always ask how you were. For some reason her name popped into my head today and looked her up to see she had passed away. If I had known i would have been there to share in your loss.*

“ *My condolences to Johnny and rest of family. Sorry I was unable to attend. I will miss Mildred 's laugh and smile. She was such a sweet person. She would often give me advice about my back since we shared the same pains.*
