“ *I want to express my sincere sympathy for the loss of your loved one and share the hope promised in the Bible. God has set a day in which he purposes to judge the inhabited earth in righteousness by a man whom he has appointed, and he has furnished a guarantee to all men in that he has resurrected him from the dead. (Acts 17:31) If your heart yearns to see a loved one again, study the Bible to make this resurrection hope your very own.*
