I worked for Pat and Bob for years. She was a great lady and she loved my daughter like her on. You will be missed by many. Sending prayers to the family.

“ Cyndi, Mike, Don and Families--

I share your great sadness at Patric's passing. She was my mentor and my dear friend! Farmers in every direction deeply respected and truly appreciated Patric. During wheat harvests in the early 80s, she and I worked 20 hour days. We made a great team! Although the work was exhausting, we had a lot of fun along the way. Those memories are priceless. Patric was a classy Lady in every respect. I will miss her so.

May God Bless and Comfort each of you in the days to come.

With sincere sympathy,

Janet Luck Miller

“ *Am so sorry to hear of Pat's passing. She was a big help to me when I moved to Columbia in 1993. We lost touch temporarily when she moved to Wentzville.. I was glad to be able to renew our friendship when she and Buck moved to Columbia. However, it seemed like health issues kept getting in the way of planned get togethers. I hope she went quickly without a long illness. I will always remember Pat fondly.. Carolyn Swope*
