“ I've only known Bobby since moving to Ashburn over 11 years ago. He was quiet and kept to himself most but I liked Bob. I smile remembering him as of late in that big black cowboy hat! :). I will never see a wolf and not think of him. And every time I sit on my deck I will think of my friend who built it for me.

“ I remember Bob coming to Ashburn as kid. He stayed with his gramps. He liked me and I liked him right off. We have been friends from that time until his death. We laughed together . Cried together..he wouldn't want me to tell that. We did wrong together, good together..worked together..most importantly we stayed together friends until the end. Love ya Bobby..your friend Big Neil
