“ I remember Bob as a good friend while at CMC and his visits to my family's farm 20 miles east of Kirksville, MO when he was in my area.

Bob was a friendly, fun-loving individual and a team mate on the Outlaws Rugby Club of which I was a founding member and player. We shared a lot of good times and many victories of a good organization and club. Bob will not be forgotten and he always treated me well. We did spend some other times water skiing on inland lakes in Missouri.

He was a rugged individual that enjoyed having the spirit of a winner. He was a friend that will be missed.

“ We're so saddened by the news of Bob's passing. The Fowlers were members of 1st Christian Church, where my father was minister some years ago. I remember the tragic and sudden death of Paul, and my Dad's role as counselor to the grief-stricken family. I remember Bob in high school as an athlete, a spirited individual with lots of friends. I've always felt that we L.H.S. grads are inexplicably linked to one another, and Bob's passing brings us all sorrow. With deepest sympathy, Peter.

“ Sorry to hear tragic news. I went to college (CMU) and played football, rugby and was frat bro of Bob. Great guy. Feel bad we didn't stay in touch and now it's too late. We had great times back then. Rest in peace brother, you were one of a kind.
