“ *Ron and Family,*  
*My sincerely condolences during this difficult time. The loss of your family member is a difficult thing to have to endure.*  
*Ron I know that you looked up to your grandfather and will miss him terribly. Just remember that the lessons that you have learned from him will continue to be with you. As you are about to graduate high school, he will still be watching over you and you will continue to make him proud with the same hard work that you have shown thus far in school. My thoughts and prayers are with you all today that you will find the healing and comfort needed to bear this great loss.*
