“ *Bob was A classmate in the class of 1950.
Bob was one of my very best friends. Always fun to be with. I am so sorry about Bobs passing. I just found it on the internet. I found his phone number earlier. When I tried calling, I was told the number was no longer in service. I was sure then that Bob had passed on to a better place. There are only a few of my Class of 1950 left. I do not know who is left. I remember meeting You Dixie at the Class of 1950 reunion. Was able to communicate for a while on the internet. It is so hard to lose A good friend because Bob was a special friend.*
