“ I was shocked and saddened to hear the news. The care and concern that Rodney expressed to me on numerous occasion for my own brother will always be remembered. We will keep Rodney in our memories and your family in our prayers. Love, Shelley and Family

“ We are deeply saddened by the loss of Rodney. Our prayers go out to Rodney's family members and friends. Drake and I once lived just a few houses away from Rodney on Boyd Dr. in Louisiana. We can remember lots of good times growing up together like playing sports, birthday parties, slumber parties, and all of the things that make growing up fun. Even though we have not seen Rodney since those days we will always remember him.
