“ Hey Uncle Dale, I have so many great memories with you, I could never list only one. Is what's even funnier is that most people would call it hard times, we did encounter a lot of rough times but we could always turn to each other and make any bad time good. That's what I'll miss so much about you. Didn't get to ask, but will you tell Mom I love and miss her so much. I love and miss you Uncle Dale.

“ I have loved this family and this man for almost 14 years. My favorite memory with this man will always be his daughter's wedding where we got drunk together and he leaned over, slapped my leg, told me "Jessica you are a b****, but I love you anyway." May not be the most appropriate memory, but it was our favorite. I love you and will miss you so much.
