“ *Going to miss my grandmother very much! Love staying at her house as a child when my dad was out of town she would come driving up picking me up from school loved eating her corn and fried potatoes her cooking was amazing! Loved the family dinners for thanksgiving and Christmas and the fish fries at the park!! I would help my grandmother sell her vegetables at her little stand she had every year! I will miss her so much she loved her great grand kids she actually shared her birthday with my daughter Madison and she was soo happy the day I had her, her and my dad drove in the snow storm just to come and see her! Love you grandma you will be missed. Lisa Anderson*
