Austin was preceeded in death by his cherished son Jeff McBride. He is survived by his wife, Shelly Jo Mabry McBride of Clarksville, Mo. and Grandson, Kolter Mc Bride of Middle Brook, MO

We were married in a gazebo on a lake at night, it was so Serene and beautiful. In attendance were Wayne and Dolly Mabry, my parents and daughter, Tericka. Austin and I were so happy to just have our only family with us to witness our marriage.

He enjoyed deer hunting at which he was proficient, camping, fishing motorcycles in which he had many, 4 - wheeling classic cars in which he owned several, we enjoyed going to car shows frequently and showing our cars,, NASCAR and racing early in his life. He liked to spend time with Kolter at the lake fishing.

We were married over 19 years, but together 25, he stated that this was the happiest he had ever been in his life. He will be dearly missed by me, his Grandson, his dog Buddy and many friends. Thank you for your unwavering love, my dear husband.

We enjoyed travelling to different places all over the US. I will never forget sleeping in our truck one night on Lake Michigan due to no vacancies at every motel/hotel. Camping in the rain, with the water coming into the tent. Making ATV trails with our 1948 Ford N tractor and spending many hours having fun day and night.
