“ *Ellen and Pat-my Mom just received the Louisiana Press Journal and told me of your Mom's passing-I am sorry, and want you to know I am thinking of each of you and your families. It sounds like there are many family members, how wonderful! I wish for you peace and the remembrance of happy times with her.*

“ I cannot express enough how deeply Sandra Reed affected my life. A good friend of my parents, Hugh and Molly Jennings, she introduced me to many book and shared with me her love of Thomas Wolfe. I still have at least one book that she gave to me with her inscription quite intact: "How to Live With a Calculating Cat."

*The last time I saw "Mz Reed" was in 1992, when I visited Louisiana for the first time in 20 years. She and her husband, Reed, welcomed me into their home and made me quite comfortable.*

*Good bye, Mz. Reed. Give my love to my father when you see him.*
