“ Dear Family,
Just want you to know that my prayers are with you in this time of loss. We must lean and depend on God who is the author and finisher of our faith. Remember that you have the support of your family. We are just a phone call away. Let us always keep and never let go of our relationship we have with one another. God is love, and the precious memories we have with one another will always be a part of us. Knowing that Aunt Sandy was always there for us is something that I will never forget.

*Humbly submitted in love,
Cousin Verna Laboy and family*
