“ I have loved Mom Love for 40 odd years. She was a generous and very kind woman to all who were a part of her life. I entered her orbit when I met her daughter Vicki as new teachers to Louisiana School District. Vic introduced me to her family bit by bit, but Mom Love was first. She welcomed me into her home as not just a friend but almost as if I was long lost family. See I lost touch with all the Loves, but in the last few years I was blessed to reconnect with them again. Mom Love and I often sent each other Christmas, Easter and other cards, catching up on life. I will miss those cards but mosy of all I will miss Mom Love.

“ Sharon Love was truly dedicated to helping others. She was instrumental in helping establish the food pantry as it is today. She always said that it was one of our charges to feed the poor. Sharon was a great volunteer at the Pantry. When it became difficult for her to physically help like she would like, she found other ways. Our volunteers were blessed with appreciation gifts every year at Christmas. Our neighbors were truly blessed at Thanksgiving. And I was blessed every day with a devotional reading. I remain a true admirer of a wonderful lady who 'walked the walk'.

“ I'm so grateful to have known Sharon. Our daughters were classmates and close friends so we were involved in some many activities together than required parents involvement. Sharon and I had so many fun times together over so many years. I will have those fond memories always.
My heartfelt sympathy and love to her family.
