“ As a long time friend of Brooke, I had known Stacey and talked to her a few times. She always listened and I never left without a hug , even the first day I met her. She was so kind and so sweet, every time I visited with Brooke I felt like I was family. I hope the family can be at peace knowing she's in heaven. She has always been truly an angel.

“ My thoughts and prayers are with you all. I know that Stacey is visiting & singing in heaven with everyone who has gone on before us, but my heart is broken for all of you. I think one of my fondest memories is the bond she had with all of the kids, encouraging them to sing in church. My daughter had seen some of the older kids in a talent show singing Stacey's mom. She absolutely loved Stacey & stood up and at the top of her lungs started singing Stacey's mom. I was soooo embarrassed lol
