“ Hi to Beth, Jennifer, David, and Andrew:

*Susan did brighten people's day, and was one of the nicest and most generous people I have known. I am praying that God can give you the strength to get through this loss. I remember one time, Susan brought a card over and I left it on the piano. My brother saw it, and said, "You know, Susan is truly a nice person. I've never known anyone as thoughtful as she." That was a surprise for me, since my brother has not said that about many people. It was high praise :) Susan would light up the day with a card or a small teddy bear and always had something fun to say.*

*Best,*
