“ *Uncle Tom was proud to have served in the US Navy and our country. While I was young our families lived and worked together. As I grew into my teens, I did some hunting with both he and "Tinker". Some of my fondest memories are of the times that both Uncle Tom and Aunt Jean and I talked. They were good counselors for a wayward youth. Thank you for all you were to me. Perry (Mont) Buffington*

“ We are so sorry for your loss. I do know what it feels like to lose both parents and it is not an easy quick fix. May the Lord grant you the courage to face the days ahead and allow the peace that excel all thought to be with you all at this very difficult time. Again so sorry for your loss.

“ I still think of times when my Mom Billy June Stewart and Dad John Stewart would go to the fish market. Tom was usually outside down by the river cleaning his catch and Jeanne was in the house frying fish. She always gave us a piece. And was it good!!! I don't think I was ever there that she wasn't frying some or had some already fried to offer. How I miss those times. My regards to his family.
