“ We met in the 70s at "Frenchies" in South Milwaukee.....never forget you looking at me in the ladies room...and saying, "Well. Maybe you should get to know me," with that devilish look and sparkling eyes...we took different paths, but still stayed in touch , through out the years. You have not had an easy life, and I am thankful you are now at peace! Thankful you were able to spend time with family who loved you and you them. You will always be in my heart "Funnyface" ... Rest in Peace. Love Sharon, "Bubbles"
