“ Our condolences to the Williams family, and may I share some word of comfort because life can be so overwhelming at this time. The pain, the grief, and the feeling of hopelessness can be unbearable. May you find comfort in family and friends and our God Jehovah, for His eyes and ears are toward your supplication.

“ Wayne wasn't a close friend, but he was a great friend. We could go years without seeing each other, but when we did, we could talk and joke as if a day hadn't passed. He was a great man with a huge heart. You will be forever missed my man. My deepest of sympathies to his girls, his brother, and his closest friends. He was truly a gift to us all.
