“ Shellie & Bill, Please extend my condolences to Little Billy's Wife & children. I am so so sorry for your loss! As I began this message you'll notice I say little Billy as that is how I remember him yet there was only a couple years difference. Life is short & it's a reminder to put our arms around those we love, throw away the things that don't matter & embrace life! Shellie from your pictures it looks like he was a lot like he did! I am so sorry that I was late findinding out but I am so sorry that you have lost a son & a brother. I hope to never experience either! God bless & prayers

“ Bill was a strong and warm man that I admired the first time I met him as a kid. I only got to interact with him a couple times when he as at the High School supporting either David or Brent (two of the greatest and most admired guys in my HS years). This world is not as good as it was a few days ago when Bill was still here! My heartfelt sadness and words of love and encouragement go out to his family, especially my good friend David!
